

MICHAEL GARBER: "Little Island"- Hudson River Park

BOBBI LANE: "The Lake"- Central Park

On Display at the Preserve Art Gallery

URBANSAPES, PLACES & SPACES: PRESERVING NATURE

MICHAEL GARBER ■ BOBBI LANE ■ WALTER LECROY ■ LEE VARIS

Through April 28, 2024 ■ Reception: March 10, 1-3PM

*A diversity of geographic locations
are defined as pure art that peer back at
us with significant harmony and beauty, linked
to informative research. An aspect of some images are
simulated by post-modern printing techniques, having
manipulated quality reinforced through repeated
or rotated production. Prints become
a mélange-a technical splendor.*

Curated by Audrey Leeds
Co-curated by Michael & Stephanie Garber
